All agency products invoiced after January 31, 2019 will receive net 60 days for the end-user. Terms for qualifying non-agency products are determined by a BASF Authorized Distributor. All rebates will appear as a credit on the end-user's account with the agent who processed the order. EOP credit will become available by 7/31/19 and can be applied only to new purchases of agronomic inputs or related products. If an end-user purchases from more than one agent, the rebate will be applied to the respective agent based on percent purchase from each agent. All products may not be registered for sale or use in all states. Please check with your state or local Extension Service. Pillar G Intrinsic brand fungicide, Siesta insecticide fire ant bait and Trinity fungicide are not for sale, distribution and/or use in New York State; and Xzemplar fungicide and Tower herbicide are not for sale, distribution and/or use in Nassau or Suffolk counties in New York State.

Always read and follow label directions.
