

# Avalon™ Golf and Nursery Insecticide

## Safeguard Your Course

Protect greens, fairways, roughs, and golf course ornamental plantings from insects and turf damage with Avalon Golf & Nursery. Get long-lasting control for a long list of turf pests including billbugs, chinch bugs, armyworms, cutworms, webworms and mole crickets. This turf-friendly product can also be used to eliminate fire ant colonies and helps prevent future colonies from being established.

Avalon Golf & Nursery contains no odorous or plant-damaging solvents. There are no unsightly residues and it causes little to no phytotoxicity. Once Avalon Golf & Nursery dries, it is virtually impossible to tell where it has been sprayed. Plus, it works effectively for tank mixing.

<b>Active Ingredient:</b>	By Wt.
