

DIVERSION

CONTAINS NON-PLANT FOOD INGREDIENT(S)

ACTIVE INGREDIENTS

Proprietary blend of alcohol ethoxylates, ethylenediaminetetraacetic acid and salts alkyl aryl sulfonate	24.0%
Inert ingredients & formulation aids	76.0%

CONTENTS

2.5 gallons (9.46 liters)

DIVERSION

DIRECTIONS FOR USE

Diversion is a multi-purpose surfactant, containing a water conditioner. Diversion significantly reduces the surface tension of water and improves the infiltration of rainfall and irrigation. Always mix and apply Diversion in accordance with label instructions.

Injection	Apply 20 to 40 fl oz (591 mL) of Diversion into water volume sufficient to treat one acre (.40 ha) of turfgrass.
Spray Application	Apply 20 to 40 fl oz (591 mL) of Diversion in a minimum of 60 gallons (227 L) of water to treat one acre (.40 ha) of turfgrass.
Application Interval	Use Diversion monthly throughout the growing season. The application interval may be adjusted as needed.

KEEP OUT OF REACH OF CHILDREN AND STORE MATERIALS IN CLEARLY MARKED CONTAINERS

WARNING

PRECAUTIONARY STATEMENTS

Harmful if swallowed. Causes skin irritation and serious eye irritation. May be harmful if inhaled. If medical advice is needed, have product container or label at hand. Read label before use. Avoid breathing mist, vapors and spray. Wash protective equipment and wear clothes thoroughly after handling. Use only outdoors or in a well-ventilated area. Wear personal protective equipment. Specific treatment is given in the First Aid section on this label or on the SDS.

FIRST AID

- If Swallowed:** Call a POISON CENTER/doctor or Chemtrec if person feels unwell. Rinse mouth. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless directed to do so by medical personnel. Do not give anything to an unconscious person.
- If In Eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention.
- If On Skin:** Wash affected area with plenty of soap and water. Use tepid water if available. If skin irritation occurs: Get medical advice or attention. Treat symptomatically. Take off contaminated clothing and wash it before reuse.
- If Inhaled:** Remove person to fresh air and keep comfortable for breathing. If person is having difficulty breathing, give oxygen. If not breathing, give artificial respiration. Call a POISON CENTER/doctor or Chemtrec if person feels unwell.

Do not store in temperatures below 40°F.

Note: Before buying or using this product, read the directions for use and the following conditions for sale and limitations of warranty and liability. By buying or using this product, the buyer or user, accepts the following conditions of sale. The seller of this product warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the directions for use, when the product is used in accordance with such directions for use under normal conditions.

Seller makes no warranty, express or implied, including, but not limited to, merchantability or fitness for a particular purpose. The buyers or users exclusive remedy for any injury, loss, or damage resulting from the handling or use of this product shall be limited to one of the following: direct damages not exceeding the purchase price of the product or replacement of the product. Seller shall not be liable to the buyer or user of this product for any consequential, special, or indirect damages, or damages in the nature of a penalty.
