

CastAway DG

1-0-0

- Natural fertilizer with high protein content
- Nutrients derived from tea plant seed meal after camellia oil extraction
- Reduces frequency of worm castings on finely-managed turfgrasses
- Patented dispersing granule (DG) technology

Guaranteed Analysis

Total Nitrogen (N)..... 1.00%
 1.00% Water Insoluble Nitrogen

Derived from tea seed meal extracts.

Product Information

Castaway is a homogenous dispersing granule (DG) tea seed meal fertilizer made from the residue of camellia seeds after oil extraction. It can be used in many turfgrass situations and across all turfgrass species. Castaway may also reduce the amount of worm castings on finely-managed turfgrasses.

Directions for Use

Provides a nitrogen source and is an irritant to earthworms. Apply to dry turfgrass at 3.0 to 5.0 lbs product per 1000 sq ft (lbs prod/M). Water in with approximately 0.25" of water within 12-24 hours after application to avoid mower pick-up. Irrigation or rainfall will disperse each granule into thousands of smaller particles, moving the product into the soil for improved product efficacy and decreased mower pick-up. For use on all cool- and warm-season turfgrasses.

Apply only to actively growing turf. Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn and sweep any product that lands on the driveway, sidewalk or street, back onto your lawn. Check with your local Cooperative Extension Agency to obtain specific information on local turf best management practices. Check with your county or city government to determine if there are local regulations for fertilizer use.

WARNING
CAUSES SKIN AND EYE IRRITATION

PRECAUTIONARY STATEMENTS

- Wear protective gloves and clothing
- Remove contaminated clothing and wash before reuse
- Avoid breathing dusts
- Use only outdoors or in well-ventilated area
- Call poison control or seek medical attention if you feel unwell
- Wash thoroughly after handling
- Do not eat, drink or smoke when using this product

FIRST AID AND MEASURES

IF INHALED: Move to fresh air and keep comfortable, seek medical attention if unwell.
IF ON SKIN: Wash affected areas with soap and water. Seek medical attention if irritation persists. Wash contaminated clothing before re-use.
IF IN THE EYES: Immediately flush with water for 15-20 minutes, remove contact lenses if present and easy to do - continue rinsing. Seek medical attention if irritation persists
IF SWALLOWED: Rinse mouth. DO NOT INDUCE VOMITING unless directed by a medical professional. Seek medical attention if unwell.

IMPORTANT: READ BEFORE USE:

Read the entire Directions for Use and the Warranty Disclaimer and Limitation of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or Buyer accepts the following Warranty Disclaimer and Limitation of Liability:

WARRANTY DISCLAIMER and LIMITATION of LIABILITY:

Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions.
