SG54

**EXPERIENCE HIGHER POWER AND PRODUCTIVITY
WITH THE SG54 ZERO-TURN SPRAYER**

The SG54 zero-turn, stand-on sprayer builds on the efficiency of previous machines, offering a higher pump output of 40 gallons per minute and an increased liquid capacity to 100 gallons. The 20.8 hp GXV630 Honda V-twin engine offers high horsepower, great adaptability, quiet operation, and excellent fuel efficiency. Standard accessories include the 2.5-gallon foam marker, 12' boom, pressure control system, Hillside assist, and 100' hose reel with roller guide and lock.

Images shown are of a prototype and the production SG54 may differ slightly from the pictures.
