CREDITS!**

WINTER SEMINAR:

Advanced Turf Solutions would like to invite you to attend our winter education meeting offered at the Woodhaven Country Club on December 16.

We have asked the following industry leading manufacturers to share some of the solutions they've observed over the last year, including university research:

Precision Labs - Chip Houmes

FMC - AJ Hephner

SePRO - Rebecca Haynie

EnP - George Murray

Dow AgroSciences - Greg Fletcher

Holganix - Mark Sybouts

This discussion will focus on providing valuable information and not promoting product sales.

We hope you will join us! Lunch will be provided, so please RSVP to your sales rep or (502) 261-1442 by Friday, December 11. CEU credits are available.
