May cause irritation if swallowed or contact is made with skin or eyes.

CONTENTS

2.5 gallons (9.46 liters)
weight / gal: 8.96 lbs
pH: 6.5

Net Weight: 22.4 lbs

SYNTRYX™

Pigment Plus Spray Activator

GENERAL USE GUIDE

FOR USE ON GOLF COURSES, ATHLETIC FIELDS, COMMERCIAL, MUNICIPAL OR RESIDENTIAL PROPERTIES.

For best results, apply SYNTRYX to dry plants and avoid application conditions that favor drift. To minimize staining risk, wet concrete and masonry surfaces with water prior to application and rinse with water immediately after application. Shake well before using.

PERSONAL PROTECTIVE EQUIPMENT (PPE): Applicators or other handlers of this product must wear: long-sleeved shirt, pants, socks, shoes, chemical-resistant gloves, and protective eye wear. Consult the MSDS for further information.

USE RATES

Apply 48 to 64 ounces of SYNTRYX in 50 gallons of spray solution per acre.

Spray volume, nozzle selection, turf type or condition may affect the color intensity of the application. Adjust the use rate to achieve desired results.

MIXING

In the absence of specific mixing instructions found on the pesticide label, fill the spray tank with at least 50% of the desired finished carrier volume. When premixing in a mixing vessel or inductor, fill with at least 20% of the desired finished carrier volume. While the carrier is agitating, add tank mix ingredients in the following order:

1. Compatibility agent and/or antifoam, if needed.
2. AMS, dry formulations (WP, DF, WDG, SP), and dry drift retardants.
3. Dry soluble and suspension fertilizers / micronutrients.
4. Liquid drift retardants and flowable formulations (F & FL) (SYNTRYX).
5. Liquid concentrates, suspension and microencapsulated (LC, SC, ME).
6. Emulsifiable concentrates (E, EL or EC).
7. Solutions and soluble liquids (S or SL).
8. Liquid micronutrients and fertilizers.
9. Water conditioners and other adjuvants (COC, HSOC, MSO, NIS).
10. Finish filling to desired spray volume level and continue agitation.

STORAGE AND DISPOSAL: May be stored below 32°F if thawed and thoroughly agitated before use. Keep container closed in storage. Do not allow water to be introduced. Store only in original container. Triple rinse when empty and offer for recycling. Always dispose of container in accordance with local, state and/or federal regulations. Do not reuse empty container.

STATEMENT OF PRACTICAL TREATMENT: **IF IN EYES:** Wash eyes with large amounts of water for at least 15 minutes, lifting the lower and upper lids. Seek medical attention immediately. **IF ON SKIN:** Remove contaminated clothing and immediately wash contaminated area with soap and water for at least 15 minutes. **IF INHALED:** Remove to fresh air. **IF SWALLOWED:** Do not induce vomiting or give fluids by mouth to an unconscious person. If person is conscious, give one or two glasses of water and seek medical attention.

NOTE: Read the information contained herein before buying or using this product. If the stated terms are not acceptable, return the product at once unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Precision Laboratories, Inc. warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond Precision's control prevent elimination of risks in connection with the use of its chemicals. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated herein and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product, shall be the purchase price paid by the user or buyer for the quantity of product involved.
